TITLE:	PROCESS FOR THE PRODUCTION OF AMINODIPHENYLAMINES	) ) )	

## **INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. 1.97(b)**

Commissioner for Patents P. O. Box 1450 Alexandria, VA 22313-1450

Sir:

This disclosure statement under 37 CFR 1.97 & 1.98 is submitted before the first Office Action in order that the Patent and Trademark Office may consider the relevancy of certain information to the invention described and claimed in the subject application, and in compliance with the regulations concerning information disclosure statements. Enclosed are copies of the following:

- copies of the foreign documents and articles described in the abovea) identified application listed on the attached Form PTO 1449,
- the Search Report received in the corresponding application pending in b) the European Patent Office; and an English language translation thereof; and

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an enveloped addressed to: Commissioner for Patents, Alexandria, VA 22313-1450 5/12/04

Date Jennifer R. Seng, Reg. No. 45,851 Name of applicant, assignee or Registered Representative

Signature

Date

the foreign document cited by the European Patent Office in the
 Search Report listed on the attached Form PTO-1449.

This Information Disclosure Statement should not be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, that any reference mentioned herein constitutes prior art, or that the references listed, severally or in any combination with one another or with any other information, are believed to render any claim in the subject application prima facie unpatentable.

Respectfully submitted,

By\_

Jennifer R. Seng

Attorney for Applicants
